

Faster Kill Pussycat (ft. Brittany Murphy)

[Paul Oakenfold](#)

Faster kill faster still pussycat
I can't stand to see you cry
Honey you know where the world is at
Get what you want with your lucky eyes You turn me on (yeah you turn me, yeah you turn me on)
You turn me on (yeah you turn me, yeah you turn me on) Better wake up this sleepy head
Big old world pass us by
So many things we could do instead
Get what you want with your lucky eyes Faster kill faster still pussy
Those high heels are not your friends
Honey you know where the world is at
Come home with me when the party ends You turn me on (yeah you turn me, yeah you turn me on)
You turn me on (yeah you turn me, yeah you turn me on)
You turn me on (yeah you turn me, yeah you turn me on)
You turn me on (yeah you turn me, yeah you turn me on) (Pussycat...) Heaven knows I tried to let you go
I can't help myself, you know I'm out of control
Heaven knows I tried to let you go
I can't help myself, I think I'm losing control You turn me on (yeah you turn me, yeah you turn me on)
You turn me on (yeah you turn me, yeah you turn me on)
You turn me on (yeah you turn me, yeah you turn me on)
You turn me on (yeah you turn me, yeah you turn me on)
