Amazed

Duncan James

Every time our eyes meet
This feeling inside me
Is almost more than I can takeBaby, when you touch me
I can feel how much you love me
And it just blows me awayAnd I've never been this close
To anyone or anything
I can hear your thoughts
I can see your dreams and II don't know how you do what you do
I'm so in love with you
And it just keeps getting betterI wanna spend the rest of my life
With you by my side
Forever and everEvery little thing that you do
Baby, I'm amazed by youThe smell of your skin
The taste of your kiss
The way you whisper in the darkYour hair all around me
Baby, you surround me
You touch every place in my heartOh, it feels like the first time every time
I wanna spend the whole night in your eyesI don't know how you do it
I'm so in love with you
And it just keeps getting better, betterI wanna spend the rest of my life
With you by my side
Forever and everEvery little thing that you do
Baby, I'm amazed by youFeels like I'm so amazed by your love
It feels like forever inside
It's almost more than I can spend
And I can't control it allI don't know how you do what you do
I'm so in love with you
And it just keeps getting betterI wanna spend the rest of my life
With you by my side
Forever and ever and ever, babyEvery thing you do
Baby, everything you do
I'm amazed by you
