War

[Good Charlotte](#)

We don't care
We don't care
We don't care
We go to war
Everybody now, war
Come on spell it out, war
Let me show you how, war
Come on everybody
You gotta learn how to spell it
And when you know how
You gotta join in and yell it
It's the word of the day
What can I say
You gotta learn how to live it
You gotta learn how to love it
You say what about the things that are seen on TV
What about the AIDS
And our governed poverty
Well if it aint about us say
I don't know say
Go team go say (We don't care)
Go team go (We don't care)
Go team go (We don't care)
Go team go
We go to war
Everybody now, war
Come on spell it out, war
Let me show you how, war
