

Save Me

The Pierces

There's a lot you don't know
And there's a lot I can't tell
Would you think I'm crazy
If you knew me that well?
'Cause there's a lot you don't know but you say
You won't go and I'd like to believe you
But I know there's no one left to save me
(I am the only one)
There's no one left to save me
(I am the only one)
There's no one left to save me
Was it all in my head
Or somehow is it true?
Was it something I said?
I can offer no proof
'Cause there's a lot I don't know but you say
You won't go and I'd like to believe you
But I know there's no one left to save me
(I am the only one)
There's no one left to save me
(I am the only one)
There's no one left to save me
I did it for love, I did it for experience
I did it for love, ooh
I did it for, I did it for, I did it for love
But I know there's no one left to save me
(I am the only one)
There's no one left to save me
(I am the only one)
There's no one left to save me
(I am the only one)
There's no one left to save me
(No one, I am the only one)
There's no one left to save me
(I am the only one)
(There's no one left)
