

# I Need a Man

## Eurythmics

Hey, is this my turn?  
You want me to sing now?  
Okay I don't care if you won't talk to me  
You know I'm not that kind of girl  
And I don't care if you won't walk with me  
It don't give me such a thrill And I don't care about the way you look  
You should know I'm not impressed  
Cause there's just one thing that I'm looking for  
And he don't wear a dress I need a man  
I need a man  
I need a man  
I need a man Baby, baby, baby don't you shave your legs  
Don't you double comb your hair  
Don't powder puff just leave it rough  
I like your fingers bare When the night comes down  
I can turn it round, I can take you anywhere  
I don't need love forget that stuff  
You know that I don't care I need a man  
I need a man  
I need a man  
I need a man I don't need a heartbreaker, fifty-faced trouble maker  
Two timing time taker, dirty little money maker  
Muscle bound cheap skate, low down woman hater  
Triple crossing, double dater, yella bellied alligator I don't care if you won't talk to me  
You know I'm not that kind of girl  
And I don't care if you won't walk with me  
It don't give me such a thrill And I don't care about the way you look  
You should know I'm not impressed  
Cause there's just one thing that I'm looking for  
And he don't wear a dress I need a man, leave me alone  
I need a man, don't take me home  
I need a man, baby you are just all the blonde Hey boy c'mon  
I'll take you anytime  
Baby, baby, baby
