The Notwist

One piece missing makes you small
Could be a day or more -
Within a second you're alone.
You want things that tell you
Exactly what you really are
To make you fell complete.
All I have is yours
- it's standing here in front of meOne piece missing makes you small
Could be a day or more -
Without a second you're alone
I want things that tell me
Exactly what you really are
To make you feel complete.
All I have is yours
