

# To the Sky

## Owl City

Shipwreck in a sea of faces  
There's a dreamy world up there  
Dear friends in higher places  
Carry me away from hereTravel light, let the sun eclipse you  
'Cause your flight is about to leave  
And there's more to this brave adventure  
Than you'd ever believeBirds-eye view, awake the stars 'cause they're all around you  
Wide eyes will always brighten the blue  
Chase your dreams, and remember me, sweet bravery  
'Cause after all those wings will take you, up so high  
So bid the forest floor goodbye as you race the wind  
And take to the sky (you take to the sky)On the hills of war and wonder  
There's a stormy world up there  
You can't whisper above the thunder  
But you can fly anywherePurple burst of paper birds  
This picture paints a thousand words  
So take a breath of myth and mystery  
And don't look backBirds-eye view, awake the stars 'cause they're all around you  
Wide eyes will always brighten the blue  
Chase your dreams, and remember me, sweet bravery  
'Cause after all those wings will take you, up so high  
So bid the forest floor goodbye as you race the wind  
And take to the sky (you take to the sky)There's a realm above the trees  
Where the lost are finally found  
So touch your feathers to the breeze  
And leave the groundBirds-eye view, awake the stars 'cause they're all around you  
Wide eyes will always brighten the blue  
Chase your dreams, and remember me, sweet bravery  
'Cause after all those wings will take you, up so high  
So bid the forest floor goodbye as you race the wind  
And take to the sky  
(you take to the sky) [2x]
