

Story Of My Life

Liberty X

Hey, hey, hey, hey
Sometimes, I feel like I wrote the book of loneliness
And every chapter ends in tears
Sometimes I fear, I've had my share of happiness
It's gotta last me all my years
And looking in your eyes it makes me wonder
Do I have a chance again?
Now suddenly I feel, I'm starting over
Like it's time to turn the page
It's the story of my life
Can you help me write?
The words I need to say
In a better way
Can you help me see
The person I could be?
Read between the lines
Can you help me write
The story of my life?
Do you ever feel like your destiny is written for you
And you only play the part, yeah?
'Cos I believed in fate the moment that I saw you
Your name was written on my heart, yeah
And looking in your eyes I feel a sense of wonder
I know, I have a chance again, yeah
Now suddenly I feel, I'm starting over
It's time to turn the page
It's the story of my life
Can you help me write?
The words I need to say
In a better way
Can you help me see
The person I could be?
Read between the lines
Can you help me write
The story of my life?
So baby won't you be my inspiration
Through the shadows and the light, hey, yeah?
Together we can write our dedication
In the story of our lives, story of our lives

Help me write the story of my life
Help me write the story of my life
Help me write the story of my life
Help me write the story of my life

It's the story of my life
Can you help me write?
The words I need to say
In a better way

Can you help me see
The person I could be?
Read between the lines
Can you help me write?

The story of my life
Can you help me write?
The words I need to say
In a better way

Can you help me see
The person I could be?
Read between the lines
Can you help me write
The story of my life?
