

If You're Gonna Leave Me (Leave Me Alone)

Rachel Proctor

Here you again cryin' wolf talkin' trash
Straddlin' the fence always lookin' for the greener grass
Never satisfiedIf you really want to go ahead and walk out
Don't let the front door hit you where it counts
Baby, bye, byeIf you're gonna leave me baby
If you're gonna go, stay gone
If you're gonna leave me baby
You better leave me alonePickin' up the welcome mat, flippin' off the porch light
Turnin' off the ringer, closin' up all the blinds
Changin' the locks on the doorSo don't come a knockin' when you start regrettin'
'Cause your sweet talkin' ain't welcome here no more
This time you better be sureIf you're gonna leave me baby
If you're gonna go, stay gone
If you're gonna leave me baby
You better leave me alone, yeahDon't call my sister
Don't call my mama
Don't call my best friend
Even if you wanna
'Cause they're done with you toIf you're gonna leave me baby
If you're gonna go, stay gone
If you're gonna leave me baby
You better leave me
You better leave me aloneYou better leave me alone
You better leave me alone
Leave me alone
