

# Someday, Some Morning, Sometime

[Wilco](#)

Someday, some morning, sometime, sometime  
I'd like to hold your hand in mine  
Someday, some morning, sometime  
I'd like to tell you, you're pretty and fine  
Your face will smile and your eyes will shine  
Someday, some morning, sometime  
I'll build you a house, all covered in vines  
I'll bring you a nickel, I'll bring you a dime  
Someday, some morning, sometime  
Five six seven and eight, oh nine  
I'll take you down where the birds fly by  
Someday, some morning, sometime
