Valentine Girl

Sam Burchfield

I'd trade my soul
For a kiss

My darlin, you gave me two
I'd trade my soul and I'd leave this life alone
Just to spend one more summer
With you

Ooh, my valentine girl
You've got me dustin' my shoe
I cant recall
Havin' danced this much at all
But my darlin',
I'm dancin' with you

How many times must I say that you are mine
and that you're my burnin', bright sunshine
And how many days can you shoulder me away
When I'm lovin' you with all my life

How many times
How many times

(Hey, Alright)

I gave my years to you Joan
Three summers wandered away
But I won't regret and I sure could not forget
You was still mine when the eve of autumn came

How many times must I say that you are mine
and that you're my burnin', bright sunshine
And how many days can you shoulder me away
When I'm lovin' you with all my life

How many times
How many times
How many times

(Ooh, Ooh)

Well I hold you close
Like a winter rose
In the stars in the soft moon light
And if you question
Will I kiss you again,
I'll be askin' you how..

How many times
How many times
How many times
How many times
How many times
How many times
How many times
How many times
How many times
How many times

How many times must I say that you are mine
You're my burnin' sun
You're the only one
All this man can do
Is love and cherish you.
