

Rainberry

ZAYN

Rainberry, please
You think I'm on my knees, but don't you worry
I know what you don't know-oh-oh
Don't even start, the truth won't break my heart
No, don't you worry
I already know-oh-oh Too many bones inside your closet
You thought you buried deep
But they never let me get a minute of peace
How do you sleep? Ooh
Rainberry
Falling down your blood-red lips
Why are your eyes heavy?
Is there somebody else you missed?
Tell me what's going on
Before I go too far
Said, Rainberry
Is there somebody else, somebody else now? Dry your eyes 'cause it won't work this time
I already dried mine, and I won't drown in yours
Go wash your hands, but you can't change your past
Those stories ain't shit now
You don't mean it, I'm sure Too many bones inside your closet
You thought you buried deep
But they never let me get a minute of peace
How do you sleep? Ooh
Rainberry
Falling down your blood-red lips
Why are your eyes heavy?
Is there somebody else you missed?
Tell me what's going on
Before I go too far
Said, Rainberry
Is there somebody else, somebody else now? Rainberry, please
Rainberry
Rainberry, please
Rainberry, please Too many bones inside your closet
You thought you buried deep
But they never let me get a minute of peace
How do you sleep? Ooh Rainberry
Falling down your blood-red lips

Why are your eyes heavy?
Is there somebody else you missed?
Tell me what's going on
Before I go too far
Said, Rainberry
Is there somebody else, somebody else now?
