

Make Me (Cry) [feat. Labrinth]

Noah Cyrus

I never needed you like I do right now
I never needed you like I do right now
I never hated you like I do right now
'Cause all you ever do is make me...Gave you up 'bout 21 times
Felt those lips tell me 21 lies
You'll be the death of me
Save you advice
Loud in you, can make Jesus cry
When I hear you saying darling
It kisses like an antidote
I'm fighting like I'm Ali
But you got me on the roadI never needed you like I do right now
I never needed you like I do right now
I never hated you like I do right now
'Cause all you ever do is make meCould've hear the thunder, but I heard your heart race
Couldn't see the rain
We're too busy making hurricanes
(Yeah)
Love ain't easy when it ain't my way
But it gets hard
When you ain't here making me crazy
Baby, say the word darling
You know just how to hold the sucker down
So, I'll see you in the morning
I can't watch you walk outI never needed you like I do right now
I never needed you like I do right now
I never hated you like I do right now
'Cause all you ever do is make meCry
Cry
CryNever thunder
To the rainPeople make me cry
Hey, ey, yeah
Keep making me scream loud
Keep on make me cry
No, no, what you do to me?
Hey, ey, yeahI never needed you like I do right now
I never needed you like I do right now
I never hated you like I do right now
'Cause all you ever do is make me

Cry...
