

Shadows

Westlife(è¥;âÿÿç”·â-©)

Mornings after
Still lingers
Just waking up
I see a shadow of you
Making breakfast for two
I go driving
Past our place and
I see this girl walk by
I smell her perfume
For a moment I wish it was you
Im not gonna tell ya
Im not gonna say that Im okay, no
Im tryin to get over
Im tryin to get far away from our mistakesChorus:
But I see shadows
Everywhere that I go
Its you, reminding me
Of how we were
Of how it was
I see shadows
Everywhere they follow
Its you and memories
Of how we loved
Ive had enough of your shadows
Four months gone
I cant feel you
I dont understand it
Where did you go?
I hate that youre all that I know
Im not gonna tell ya
Im not gonna say that Im okay, no
Im tryin to get over
Im tryin to get far away from our mistakesChorusYou couldnt love me
So why wont you leave me
Shadows
Alone is the only place I want to be
I see shadows
Everywhere that I go
Its you, reminding me

Of how to love
Ive had enough
I see shadows
Everywhere they follow
Its you, the memories
Of how we loved
Ive had enough
Your shadows
Its you, the memories
Of how we loved
Ive had enough of your shadows
Your shadows
