

The Show

Mike Mago

Give you all I have
Yeah baby
Give you all I have is it show baby
All the time weâ€™ve spent together

Give you all I have (repeat)
Do you show
Do you show?
Do you? (repeat)

Give you all of my love
And you
Ainâ€™t true
Show me what is really made of
But there are things you donâ€™t do
All the time weâ€™ve spent together
Iâ€™ve started to see the real you
Now it seems it last forever and change itâ€™s all you do

Give all I have
All the time weâ€™ve spent together
Do you show
Do you show?
Do you? (repeat)

All the time weâ€™ve spent together
Give all I have
All the time weâ€™ve spent together
Together
Do you show me?
