

Flirt

Cameo

Flirt, flirt, flirt, flirt
Yeah
Oh, yeahEveryday is something new with you
Give me time and I'll know what to do
You're so frisky, love your style
Can I play with you a while?Know you much better
It's not an easy thing to do
Such a flirt, yes you are
A [Incomprehensible] styleFlirt, flirt, flirt, flirt, yeahSo, you like body too, you say
It looks good in the mirror when you stay
Very chic yet so unique
From yours head down to your feetWe know you much better
Its not what you say or what you do
Your shapely breast gives you flesh
That seems to be your styleFlirt, flirt, flirt, flirt, yeahFlirt, flirt, flirt, flirt, yeah
