

40 Days

The Exploding Boy

Here I go waking up on the floor
I didn't have anything to wear I looked around for more
What to do waking up on the floor
Where am I and where's my clothes I feel tired and sour
What to do going out some more
Take me back to yesterday don't wanna be on a floor
And after all what was it all good for
What I've been doing yesterday makes me feel like a hore
I've been here now such a long time
I've been here 40 days or so
I could go away or stay
It's up to me up to you
Where to go should I go abroad
What's the point going anywhere when you know what's in store
And who wants more, do you wanna be adored
What's the point going anywhere when you know what's for sure
