

# Insignificance

[Matt Kivel](#)

You're in luck  
I want you  
Now you turn away  
Now you say that  
You would lie  
Most always  
Just take me when you can  
Now you want it again Blackest night  
The highway  
Her nails so red and wild  
Her blue green slip and the oceanside  
Her hair down and dried  
Surrender everything  
I'll see you at the edge of night  
I'll see you at the edge of life  
And all the time  
Not endless  
The guys pack into the car  
The girls they sit and you and I  
Not endless  
So for now we'll go inside  
Turn the TV on and then we'll  
I want you  
Can I do that  
I miss you  
Can I do that  
I need you  
Can I do that  
I miss you  
Can I do
