

The Fire (feat. Madame Buttons)

Felix Cartal & Clockwork

Say goodbye as I'm walking on a wire
Close your eyes
You can leave me in the fire.
Don't need to justify
the way I feel tonight
because I know the plight, is worth the fa-a-all
into the neon sky, I chase another high
I left it all behind, so let me go-o-oJust say goodbye as I'm walking on a wire
Just close your eyes
you can leave me in the fire
leave me in the fire
