Lose My Mind

Starflyer 59

I've got a bad taste in my mouth. Could it be cause I trusted myself?
I got a bad feeling in my bones. Could it be cause I went it alone?
I think I'm gonna lose my mind. I think I'm gonna lose it.
Is there is a light bulb between my ears. Could it be cause I had an idea?
It haunts me in my sleep, and it comes back when I'm awake.
I think I'm gonna lose my mind. I think I'm gonna lose it.
I've got a bad taste in my mouth, a taste that I just can't get out.
I've got a bad feeling in my bones. Could it be cause I went it alone?
I think I'm gonna lose my mind. I think I'm gonna lose it.
