

# Restless

## The Bangles

Saw your head turned a bit too far to the right now  
Saw the eye go a little spark when she walks by now. But if you wanna love  
You wanna love another girl  
I'll leave it up to you  
But I won't be tested  
(You feel restless now)  
While you feel restless (restless). Now I'm wondering every time that you hold me  
Well, should I question anything you have told me. But if you wanna love  
You wanna love another girl  
I'll leave it up to you  
But I won't be tested  
(You feel restless now)  
While you feel restless (restless) yeah. I remember when you and I were a nation  
I could trust you in any dark situation. But if you wanna love  
You wanna love another girl  
I'll leave it up to you  
But I won't be tested  
(You feel restless now)  
While you feel restless (restless).
