

Feel

Sons Of Zion

If you could hear I would tell you,
That you make the sweetest sound
If you could see I would show you, hey
Why you make me wanna expre' myself yeah
Babylon it gets so cold but ya,
Your music's like a friendly fire, yeah
Heartache and anguish is easy,
When I got you right by my side yeahI don't want, lot of things, just to,
Just to jam for eternity,
I won't stop, jamming all to you
My people are free
And this is how you make me feel
Don't tell me that it's not for real
You make me wanna get down low,
Then you lift me up so high
And I just wanna let you know,
That it's the way you make me feelWhen I'm reelin' out' control oh,
To get back up I put you on and,
Feel your rythmn in my soul, oh
You never fail to make me whole again
You make me feel good,
When I'm rockin' with you,
So I'm writing you this song, cause I wanna let you know,
That music is my soul, yeahI don't want, lot of things just,
Just to jam for eternity,
I won't stop, jamming all to you
My people are free
And this is how you make me feel
Don't tell me that it's not for real
You make me wanna get down low, (make me wanna get down low)
Then you lift me up so high (so high, so high)
I just wanna let you know,
That it's the way you make me feel
Ooh yeah yeahOh oh oh
Oh yeah, yeah yeah, yeah yeahI don't want, lot of things just,
Just to jam for eternity,
I won't stop, jamming all to you
My people are free yeahThis is how you make me feel (how you make me feel yeah yeah)
Don't tell me that it's not for real (doin' it for real yeah)

You make me wanna get down low, (so low)
Then you lift me up so high (so high, so high)
And I just wanna let you know, (let you know yeah)

That it's the way you make me feel

Ooh ohIt's the way it's,

It's the way you make me feel x3

It's the way it's,

It's the way you,

It's the way you make me feel yeah, yeah, yeah
