Wedding Day

Ub40

Where were you on our wedding day
I got the bad news that you went away
Now where were you little girl I say
Where were you on our wedding day
Oh boy
Give me back my ring, oh
I ain't gonna let you keep a thing, oh noNow where were you when I said I do
Everybody laughing at my fine new suit
Now where were you livin' I say
Where were you on our wedding day
Oh boy
Give me back my ring oh oh
I ain't gonna let you keep a thing
Oh noNow where were you when I searched the town
I turned the whole neighborhood up side down
Now where were you little girl I say
Where were you on our wedding day
Oh boy
Give me back my ring oh oh
Oh boy
I ain't gonna let you keep a thing
Give me back my ring
I ain't gonna let you keep a thing
Oh noOh boy
Give me back my ring
Oh oh oh
Oh boy
I ain't gonna let you keep a thing
Oh noNow where were you when I said I do
Everybody laughing at my fine new suit
Now where were you little girl I say
Where were you on our wedding day
Oh boy
Give me back my ring oh oh
Oh boy
I ain't gonna let you keep a thing
Oh noNow where were you when I searched the town
I turned the whole neighborhood up side down
Now where were you little girl I say

Where were you on our wedding day
Oh boy
Give me back my ring oh oh
Oh boy
I ain't gonna let you keep a thing
Oh no
