

Trap on Wheels (feat. Young Scooter)

Gucci Mane

(Hook)

I got a tractor trailer crammed with pounds
I got a van slammed down with pills
Got a whip, got a stash for bricks
I got a muthafuckin' trap on wheels
I got a muthafuckin' trap on wheels (I got a trap)
I got a muthafuckin' trap on wheels
I got a muthafuckin' trap on wheels (I got a trap)
I pull up and I hit you with this (I'm pulling up)
I got a muthafuckin' trap on wheels (skerrrrt)(Verse)
Got a chopper and the trap went global
Rollin' drugs till my trap went mobile
Figured that one on a motor rollin'
50 pounds in the damn Corolla
I lost ya sister she was hell of a soldier
She kept her mouth closed right like I told her
Then she threw out on ?
I got the crazy dope, my fee-fi-foe shit
Helpin' hand, I put my hand on yo shoulder
In the street like gimme unicorn shoulder
Afford the lean and afford this blow
I made a racing car outta my nose
I hit a hundred thousand just in the motor
So when I pull up on you niggas it's ova
I'm smokin' purple right in front of you rookers, I'm in the zone
Got a hundred cells, when I conduct business, don't use the phone
Betta watch yo tone of voice, fuck boi
I got a tone
Got a gun to kill an elephant nigga, don't get me wrong
I put my trap house on Forgies nigga, I'm in the zone
Baby bottles got a pistol and scale inside the zone(Hook)
I got a tractor trailer crammed with pounds
I got a van slammed down with pills
Got a whip, got a stash for bricks
I got a muthafuckin' trap on wheels
I got a muthafuckin' trap on wheels (I got a trap)
I got a muthafuckin' trap on wheels
I got a muthafuckin' trap on wheels (I got a trap)
I pull up and I hit you with this (I'm pulling up)

I got a muthafuckin' trap on wheels (skerrrt)(Verse)
Mr. Ice Cream man, but I ain't got no muthafuckin' ice cream
It's a traphouse on wheels, ice cream truck with Forgies
Got dope, 4 sure, who made this beat? C4
Who got the streets? You know, you niggas din't rap bout dope
You still in johns out the porch, private jet in New York
Made of steel, won't bend, I say nothin' in court
Guwop, got a trap on wheels
Guwop, got a trap on wheels
Since enrolled, trappin' at my momma's shill(?)
If ye a trap nigga, I know you're gonna trap, that is
