

Yuugure No Tori

Shinsei kamattechan

Sitting in our cage Shall
we see innocent scarlet?

Wait tomorrow

Go today

Go today morning

Give it up

The scar will stay

Go tomorrow

Every single day

It is next to you

Shining whoa

Fooled us Now we have to Decide who is our clan
Surely, you know Because I have a dream I fight on

Come over me everyone

Feel again with me So again I catch your sleeve

A sweet story

Wait tomorrow o

Go today

Go today morning

Give it up

The scar will stay

Go tomorrow Every single day It is next to you

Sitting in our cage Shall
we see innocent scarlet?

Wait tomorrow

Go today

Go today morning

Give it up

The scar will stay

Go tomorrow

Every single day

It is next to you

Shining whoa

Fooled us Now we have to Decide who is our clan
Surely, you know Because I have a dream I fight on

Come over me everyone

Feel again with me So again I catch your sleeve

A sweet story

Wait tomorrow o

Go today
Go today morning
Give it up
The scar will stay
Go tomorrow Every single day It is next to you
Sitting in our cage Shall
we see innocent scarlet?
Wait tomorrow
Go today
Go today morning
Give it up
The scar will stay
Go tomorrow
Every single day
It is next to you
Shining whoa
Fooled us Now we have to Decide who is our clan
Surely, you know Because I have a dream I fight on
Come over me everyone
Feel again with me So again I catch your sleeve
A sweet story
Wait tomorrow o
Go today
Go today morning
Give it up
The scar will stay
Go tomorrow Every single day It is next to you
