

Tomorrow's Dream

Black Sabbath

Well I'm leaving tomorrow at daybreak
Catch the fastest train around nine
Yes I'm leaving the sorrow and heartache
Before it takes me away from my mind
Send me love and I may let you see me
empty holes I can feel in my head
But if you really want me to answer
I can only let you know when I'm dead
When sadness fills my days
It's time to turn away
And let tomorrow's dreams
Become reality to me
So realize I'm much better without you
and i'm the one and only thing in my heart
I'll just go back to pretending I'm living
and this time I'm gonna have the star part
