

# I Don't Dance

## Sunrise Avenue

I don't wanna grow up  
I don't wanna see sex and the city  
Lust for a minute  
I don't wanna do that  
I don't wanna let go on the floor tonight And I can't hear nothing but beats and sounds  
That don't feel good inside  
I got jeans too tight It's all too loud  
My feet can't hear the orders from my mind I don't dance cause tonight you love somebody  
Somebody new  
I don't dance cause the moves don't want my body  
I'll learn to hate them too  
Now you dance to our songs  
I need them too  
I don't dance cause tonight you love somebody new I don't need the feedback  
I know that I'm stuck with the past  
That this might last  
I don't need a restart  
I don't wanna re-oil myself tonight I know it's a little bit sad and strange  
I stay alone in the shade  
I don't wanna dance I feel betrayed  
Somebody else is playing with my babe I don't dance cause tonight you love somebody  
Somebody new  
I don't dance cause the moves don't want my body  
I'll learn to hate them too  
Now you dance to our songs  
I need them too  
I don't dance cause tonight you love somebody new Now the crowd grows wild I'm such a mess  
And I can't escape this emptiness I don't dance cause tonight you love somebody  
Somebody new  
I don't dance cause the moves don't want my body  
I'll learn to hate them too I don't dance cause tonight you love somebody  
Somebody new  
I don't dance cause the moves don't want my body  
I'll learn to hate them too  
Now you dance to our songs  
I need them too  
I don't dance cause tonight you love somebody new Somebody new
