

Find Yourself

Lukas Nelson & Promise of the Real

Well I don't mind sleeping alone
If it means I don't have to play your crazy games no more
You're the most precious thing I've ever seen
But I ain't gonna let it slide when you're mean to me
I know the love that I deserve And I hope you find yourself
Before I find somebody else to be my love
And I hope you find yourself
Before I find somebody else to be my love
Well, you tell me things I wanna hear
You want me near, and I know you feel me leaving you
You think that I won't say goodbye
But baby I ain't standing by while you stretch the truth
I know the love that I deserve And I hope you find yourself
Before I find somebody else to be my love
Oh, and I hope you find yourself
Before I find somebody else to be my love I know the love that I deserve I know the love that I deserve
Oh, I know the love that I deserve
Baby I know, I know the love that I deserve
And I hope you find yourself
Before I find somebody else to be my love
Oh, I said I hope you find yourself
Before I find somebody else to be my love
Lord I said I hope you find, I hope you find..
