Where's The Love

Trevor Hall

So many Gods but no love for the people,
My mama told me that we're all made equal.

What we fighting for?
Why are we still at war?
Where's the love? Where's the love?

So many prayers yeah but where's the prayer for peace?
My papa told me that we all must serve feed.

What we fighting for?
Why are we still at war?
Where's the love? Where's the love?

Yeah,
I got a confession,
My heart is stressing for a blessing,
Yeah, a blessing.

And so the scene is set,
Dropping bombs on each other because it's what God said,
How did we let it get to this?
All this fighting makes me sick,
The candle has put out the wick,
And I quit, yeah.

So many Gods but no love for the people,
My mama told me that we're all made equal.

What we fighting for?
Why are we still at war?
Where's the love? Where's the love?

So many prayers yeah but where's the prayer for peace?
My papa told me that we all must serve feed.

What we fighting for?
Why are we still at war?
Where's the love? Where's the love?

Yeah, all the Jackals have a side,
Truth is one but goes by many names
Well the winners writing their own history, yeah,
But turn their backs on, but turn their backs on,
But turn their backs on reality.

So many Gods but no love for the people,
My mama told me that we're all made equal.

What we fighting for?
Why are we still at war?
Where's the love? Where's the love?

So many prayers yeah but where's the prayer for peace?
My papa told me that we all must serve feed.

What we fighting for?
Why are we still at war?
Where's the love? Where's the love?

Well oh darling, dry your eyes,
The whole world hears your cries,
Pay no attention to what they may say,
Tell all the demons to just go away.

How can we wage war?
How can we wage it when we're under the same sky?
We're under the same sky.

So many Gods but no love for the people,
My mama told me that we're all made equal.

What we fighting for?
Why are we still at war?
Where's the love? Where's the love?

So many prayers yeah but where's the prayer for peace?
My papa told me that we all must serve and feed.

What we fighting for?
Why are we still at war?
Where's the love? Where's the love?

So many Gods but no love for the people,
So many Gods yeah, so many Gods, yeah,
So many guns but no love for the people,

No love for the people,
No love yeah, yeah,

So many prayers yeah but where's the prayer for peace?
So many Gods, so many Gods,
But no love for the people, yeah,
But no people, yeah.

But no love for the people, yeah,
What we fighting for?
And why are we still at war ?
And what we fighting for, why are we still at war?

Wheres the love?
Where's the love?
