

Get The Girl (Album Version)

The Bangles

When I saw you
Every single part of me said
 Yeah, yeah, yeah
 My eyes wanted
 My lips wanted to, you know
 Lose controlNo matter matter what
 You're gonna gonna get the girl
 I really want to
 Gotta gotta get the girlI can tell you
 Got the kind of magic to share
 Show me love (love love love)
 Wherever you go
 There you are
 There you are (there you are)
 A superstarNo matter matter what
 You're gonna gonna get the girl
(Wanna be your girl, want to be your girl)
 No matter matter what
 You're gonna gonna get the girl
(Wanna be your girl, want to be your girl)
 I really want to
 Gonna gonna get the girlI really want to
 You're gonna gonna get the girl
 I really want to
You're gonna gonna get the girlNo matter matter what
 You're gonna gonna get the girl
(Wanna be your girl, want to be your girl)
 I really want to
 You've gotta gotta get the girl
(Gotta be your girl,want to be your girl)
 A superstar
 Is what you are
(Wanna be your girl, want to be your girl)
