

They Call Me A Playboy

[Alan Jackson](#)

They call me a playboy
As I'm making my rounds
Chasing the bright light
Of each night spot in town Though I never show it,
My heart's breaking in two
They may call me a playboy
But I'm just lonesome for you I once had a real love
That was when I had you
Now I'll never feel love
With somebody new This false front I'm wearing
Is just to cover my blues
They may call me a playboy
But. I'm just lonesome for you--- Instrumental ---I once had a real love
That was when I had you
Now I'll never feel love
With somebody new This false front I'm wearing
Is just to cover my blues
They may call me a playboy
But. I'm just lonesome for you They may call me a playboy
But. I'm just lonesome for you...
