Angel

Akon

I'm looking at an angel
And believe me when I say
She got that whole place glowin'
She got that whole place glowin'
She got that whole place glowin'
Glowin', glowin'
I'm looking at an angel
And believe me when I say
She got that whole place glowin'
She got that whole place glowin'
She got that whole place glowin'
And she's high in the sky singin'
Way above the clouds in the sky singin'
Way above the clouds in the sky singin'
Way above the clouds in the sky singin'
Way above the clouds in the sky singin'
She got wings, she got a halo
It seems to me so unnatural
'Cause there's one thing that I just don't know
What seemed to be so incredible
She looked at me, took me by surprise, yeah
As if she took me by the hand
To some foreign land and had me way up
Way above the clouds in the sky, singing
Way above the clouds in the sky singin'
Way above the clouds in the sky singin'
Way above the clouds in the sky singin'
Way above the clouds in the sky singin'
Singing my song, yeah, yeah
From dusk 'til dawn, yeah, yeah
I know you got a lot on your mind
But it won't be long, yeah, yeah
If all things get better, yeah, yeah
And I may be wrong, yeah, yeah
'Cause I'll never get to even cross the line
Before they make it home, yeah, yeah
Singing my song, yeah, yeah
From dusk 'til dawn, yeah, yeah
I know you got a lot on your mind

But it won't be long, yeah, yeah
If all things get better, yeah, yeah
And I may be wrong, yeah, yeah
'Cause I'll never get to even cross the line
Before they make it home, yeah, yeah
I'm looking at an angel
And believe me when I say
She got that whole place glowin'
She got that whole place glowin'
She got that whole place glowin'
Glowin', glowin'
I'm looking at an angel
And believe me when I say
She got that whole place glowin'
She got that whole place glowin'
She got that whole place glowin'
And she's high in the sky singin'
