# Maniac

## Cinerama

I did get your message
I just can't believe you're doing this
What is wrong with you?
I told you, it's over, I am not coming back
More importantly, I just don't love you any more
Can't you get that into your head?And when I made that stupid oath
About how I was going to
Pay for someone to kill you both
It was just my way of showing youThat I wasn't playing
Oh yeah, you're right, I sounded like a maniac
But that's just what I am saying
You'll only see how much I've changed, if you come backAnd when I threw out all your books
You know that wasn't planned
I know how terrible it looks
But you got to understandIt's just that they'd remind me
Of sleepy days and sleepless nights I spent with you
I tried to put it all behind me
I didn't realize how much I'm still in love with youOh please, can't you drop this stance
And maybe give me one more chance
Just say what you want from me
'Cause, oh, I'd do anything to bring you back home
Oh yeah, anything just pick up the phoneEveryone thinks that I look thin
Oh, but I don't mind them
These insects crawling on my skin
Why can I never find them?The thought of you two screwing
Has turned me into some kind of a maniac
I really don't know what I'm doing
You'll only see how much I've changed, if you come backOh please, can't you drop this stance
And maybe give me one more chance
Just say what you want from me
'Cause, oh, I'd do anything to bring you back home
Oh yeah, anything just pick up the phoneI'd do anything to bring you back home
Oh yeah, anything just pick up the phone
I'd do anything to bring you back home
Oh yeah, anything just pick up the phone
