Next to You

Outlandos D'amour
Next To You
I can't stand it for another day
When you live so many miles away
Nothing here is gonna make me stay
You took me over, let me find a wayI sold my house
I sold my motor, too
All I want is to be next to you.
I'd rob a bank
Maybe steal a plane
You took me over
Think I'm goin' insane
What can I do
All I want is to be next to you
What can I do
All I want is to be next to youI've had a thousand girls or maybe more
But I've never felt like this before
But I just don't know what's come over me
You took me over, take a look at meWhat can I do
All I want is to be next to you
What can I do
All I want is to be next to youAll I want is to be next to you
All I want is to be next to you
All I want is to be next to you
Saw my doctor he said give it time
Got this feeling, gonna lose my mind
When all it is is just a love affair
You took me over baby, take me thereWhat can I do
All I want is to be next to you
What can I do
All I want is to be next to you
What can I do
All I want is to be next to you
What can I do
All I want is to be next to you
All I want is to be next to you
All I want is to be next to you
All I want is to be next to you

All I want is to be next to you...
