

I'm Tongue-tied

The Magnetic Fields

I'm tongue-tied and useless
I'm weak-kneed and brainless and then
I mumble some jumble
You kiss me, I'm history
I'm tongue-tied and useless again
My heart pounds
I make sounds
My ears hum
My head pops
The shoe drops
I'm struck dumb
I'm tongue-tied and useless
I'm weak-kneed and brainless and then
I mumble some jumble
You kiss me, I'm history
I'm tongue-tied and useless again
You say things
The room swings
I feel things
I've no doubt
I'll black out
Grand love aint's
I don't die
I say, "Hi"
How clever
I turn blue
I love you
For ever
I'm tongue-tied and useless
I'm weak-kneed and brainless and then
I mumble some jumble
You kiss me, I'm history
I'm tongue-tied and useless again
I'm tongue-tied and useless again
