Dalai Lama

I think I'm starting to see
The love I need is inside of me
As I look to you now
Vow and confess
You're the light in my eyes

Of all the things that I've said
Of all the things I'll never get back
The only thing I would change
Is walking away
When you needed me here

And I could see it in your eyes
You were blind to see me
You see the man I used to be

Of course I say to myself
"I lost my way refusing your help"
But here inside all along
Waiting for you
To come home to yourself

So now it's just you and me
And yesterday is gone we agree
As we open our arms
Up to the sun
See the rain now is gone
