The Leavin' Side

Carlene Carter

Hey baby, there's two sides to every story
I've heard them one too many times
Just stop callin', I'm not falling anymore
I've had enough of all your charmsOnce and for all that's enough for a lifetime
Love's lost at long last it's over
Close the door and walk away
On the leavin' sideYou can cry whole night and I won't listen
I can't hear you anymore
You can lie your lies and I won't miss 'em
Hey, just walk out that doorOnce and for all that's enough for a lifetime
Love's lost at long last it's over
Close the door and walk away
On the leavin' side, Hey!Hey baby, love may come and love may go
But now it's gone for good
Just stop tryin', I'm not buyin' anymore
I've taken all I couldOnce and for all that's enough for a lifetime
Love's lost at long last it's over
Close the door and walk away
On the leavin' side
Oh it's over, close the door and walk away
On the leavin' sideNa na na na
Na na na na
Na na na na
