

Till There Was You

[Nana Mouskouri](#)

There were bells on the hill
But I never heard them ringing
No, I never heard them at all
Till there was you
There were birds in the sky
But I never saw them ringing
No, I never saw them at all
Till there was you
And there was music
And there were wonders for roses
They tell me it's sweet
Fragrant mellows of dawn
Until there was love all around
But I never heard it singing
No, I never heard them at all
Till there was you
