Say You Don't Mind

The Zombies

I realize that I've been in your eyes
Some kind of fool
What I do
What I did
Stupid fish I drank the pool
I've been doing some dying
Now I'm doing some tryingSo, say you don't mind
You don't mind
You'll let me off this timeI came into this scene
When my dreams were getting bad
And who rides with the tide
And who's glad with what it had
I've been doing some whining
Now I've been doing some findingSo say you don't mind
You don't mind
You'll let me off this timeTo you I'm blind
Somethin' inside
Say you don't mindI've been doing some dying
Now I'm doing some tryingSo, say you don't mind
You don't mind
You'll let me off this timeTo you I'm blind
Somethin' inside
Say you don't mindIt gets you so bad
That a doormat sees better times
There's time to get back
And think up some better lines
I've been doing some growing
But I'm scared of you going
