

# Dis iz a Rager Dude

## Brokencyde

Oh, young homie. Holla at em. You ready?

Let's go!

Get drunk let me show you the ropes,  
We get drunk at the club but you already know.  
We got ice in our cups and the rest is patron,  
Now we gon' party all night til the early morn'.

Low cut, Daisy Dukes,  
That's the way we like to do.  
No clothes, underwear,  
Put your hands up in the air.  
Go girl, shake your butt.  
Show'em you dont give a fuck.  
Lights out, turn me on.  
Everybody get it on!

Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)  
Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)  
Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)  
Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)

We in our room, getting drunk like everyday,  
We poppin bottles of patron, cause we just got paid.  
From my rage to my tray, let's hope in the Benz,  
I got a hotel party at the Holiday Inn!

Low cut, Daisy Dukes,  
That's the way we like to do.  
No clothes, underwear,  
Put your hands up in the air.  
Go girl, shake your butt.  
Show'em you dont give a fuck.  
Lights out, turn me on.

Everybody get it on!

Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)  
Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)  
Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)  
Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)

Oh!

Let's start the party! (Let's get it started)  
Let's get retarded! (It draws everybody)  
Let the club go loco! (Yeah break it down! Shake the building down!)

Low cut, Daisy Dukes,  
That's the way we like to do.  
No clothes, underwear,  
Put your hands up in the air.  
Go girl, shake your butt.  
Show'em you dont give a fuck.  
Lights out, turn me on.  
Everybody get it on!

Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)  
Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)  
Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)  
Get on the dancefloor!(Come everybody)  
Get on the dancefloor!(And shake your body)

Get on the dancefloor!  
Get on the dancefloor!  
Get on the dancefloor!  
Get on the dancefloor!
