## The Bar and Grill Singers

Menendez and Dahmer and the Unibomber  
Kaczynski, Lewinsky and the British Nanny  
Lorena and John Bobbitt...OJ's trial was on it  
Judge Ito

Someday I wanna be in a case on Court TV  
My friends will envy me and celebrity  
Letters from my fans, the media eating from my hand  
I'll retire on my fees from the book deals and the  
talk show scene when I'm on Court TV

Menendez and Dahmer and the Unibomber  
Kaczynski, Lewinsky and the British Nanny  
Lorena and John Bobbitt...OJ's trial was on it  
That's why I'm saying after Court TV  
I'll never have to work again you'll see  
That's where I wanna be...is on Court TV

(I will be on MSNBC)

People will pay me to speak at banquets for a fee  
I'll appear every night on shows like 20/20  
Newsweek and Time will feature my whole life  
Newspapers will say that I'm a Top 10 Lawyer  
and worth the price when I'm on Court TV Menendez and Dahmer and the Unibomber  
Kaczynski, Lewinsky and the British Nanny  
Lorena and John Bobbitt...OJ's trial was on it  
That's why I'm saying after Court TV  
I'll never have to work again you'll see  
That's where I wanna be...is on Court TV

(I'll do my thing tonight on Larry King)

Everybody knows a place where washed up  
lawyers go  
Now they all have there own prime time TV  
legal shows...they're all on Court TV

Menendez and Dahmer and the Unibomber  
Kaczynski, Lewinsky and the British Nanny  
Lorena and John Bobbitt...OJ's trial was on it

That's why I'm saying after Court TV  
I'll never have to work again you'll see  
That's where I wanna be...is on Court TV
