

# A Love So Pure

## Underoath

Always did it on my own, then one day I realized I was blind  
Nothing I could do on my own turn  
We have found a way to see, look up, feel the Almighty  
Take control as we gaze into Your eyesWe're just the tool You use to bring this world to You  
Oh, Lord, how we love You  
With Your grace, take away the hurt and the bruises inside  
Reach down, let Your glory resideThe cross carried for all of us, paint the image in my mind  
So I will never think I am something  
But nothing am I but You, You are something  
Lord You keep me alive, You give me rest at nightWhen there seems no way to find calmness in the storm  
You come and take me in Your arms  
And then the waves drown me no more  
With You, I'll last this battle and many othersThrough the ages, Your name will reign forever  
Never to be replaced in these trials I face  
I pray You, humble me, humble me  
I want to be like You, Jesus, more and more like YouI was crucified on that day with Christ  
Nailing You there with sin, accepting You  
I nailed my soul to the cross and now my life begins  
This world so cold but Your love keeps me warmMy father holds me in his nailed scarred hands which I put  
there  
But for some reason, he still loves me with all his heart  
Even though I betray him constantly  
He always keeps his arms open waiting, till I give up my old waysGod my father, You are the only one that can  
give me comfort  
You touch my heart in such a way that all I can do is cry Your name  
Jesus Christ, I love You  
My heart aches for Your love
