

Ketchy Shuby

Peter Tosh

Come make we play some
Ketchy shuby
And when me shuby
You feel ketchy And when you're ketchy
Don't make it drop
'Cause if it drop
It will pop And if it pop
No one can mend it
'Cause if they mend it
You can easily bend it So we ah go
Ketchy, ketchy
Shuby shuby
Tonight
All night long So we ah go
Ketchy, ketchy
Shuby shuby
Tonight
All night long Tell me if you like it It don't take too long to learn
Just you do as I say
I may only take one hours or two
And by the next time you
Will know what to do So we ah go
Ketchy, ketchy
Shuby shuby
Tonight
All night long Come make we play some
Ketchy shuby
And when me shuby
You feel ketchy And when you're ketchy
Don't make it drop
'Cause if it drop
It will pop And if it pop
No one can mend it
'Cause if they mend it
You can easily bend it Your mama don't like it
Ketchy, ketchy, shuby
Shuby tonight
(Kksstn) Your papa don't like it
(Kksstn)

Long time I'm waitin
(Kksstn)
Get you right where you'reKksstn
