

# Ocean Of Noise (Live C+)

## Arcade Fire

In an ocean of noise  
I first heard your voice  
Ringing like a bell  
As if I had a choice  
Oh well! Left in the morning  
While you were fast asleep  
Into an ocean of violence  
A world of empty streets You've got your reasons  
And, me - I've got mine  
But all the reasons I gave  
Were just lies to buy myself some time In an ocean of noise  
I first heard your voice  
Now who here among us  
Still believes in choice?  
Not I! No way of knowing  
What any man will do  
An ocean of violence  
Between me and you You've got your reasons  
And, me - I've got mine  
But all the reasons I gave  
Were just lies to buy myself some time I'm gonna work it out  
'Cause time won't work it out  
I'm gonna work it out  
'Cause time won't work it out for you  
I'm gonna work it on out  
'Cause time won't work it out for you  
I'm gonna work it on out  
'Cause time won't work it out for you  
I'm gonna work it on out
