Mariah Carey

When I am lost
You shine a light for me
And set me free
When I am low
You wash away my tears
And take me through the loneliness
And emptiness
Through the darkest night
Somehow I survive
Through it all When you tell me
I'm the only one you need
Sweet and tenderly
And your love
Breaks away the clouds surrounding me
All I have I want to give to thee, oh baby If I should fall
Your love is strong enough
To lift me up
If I'm afraid, oh baby
You chase away my fears
And take me to a brighter place
Beyond the rain
And I feel alright
'Cause you're by my side
Through it all And you tell me
I'm the only one you need
Sweet and tenderly
And your love
Breaks away the clouds surrounding me
All I have I want to give to thee You take me through
The loneliness and emptiness
And I feel alright
'Cause you're by my side Through it all
You tell me
I'm the only one you need
So sweet and tenderly
And your love
Just breaks away the clouds surrounding me
And baby all I have I want to give to thee Want to give you all of my love
Now and forever my love

All I have I want to give to thee
