

Forgetting

David Gray

Crawling then walking
Then running and sweating
Forgetting Lying and cheating
Aiding and abetting
Forgetting Itching and scratching
And punching and hitting
Forgetting, forgetting
Forgetting, forgetting Reminding, rewinding
Removing, regretting
Forgetting Your smiles at the wake
And your tears at the wedding Forgetting, forgetting
Forgetting, forgetting
Forgetting, forgetting
Forgetting Spellbound and hell-bound
And caught in the netting
Forgetting A wiping it clean
A minute Armageddon
Forgetting, forgetting
Forgetting, forgetting Forgetting, forgetting
Forgetting
Forgetting, forgetting
Forgetting
