Call It Off

CHVRCHES

I won't regret saying this
This thing that I'm saying
Is it better than keeping my mouth shut?That goes without sayingCall, break it off
Call, break my own heartMaybe I would have been something you'd be good at
Maybe you would have been something I'd be good at
But now we'll never know
I won't be sad
But in case, I'll go there everyday
To make myself feel bad
There's a chance I'll start to wonder
If this was the thing to do
I won't be out long
But I still think it better if
You take your time coming over here
I think that's for the bestCall, break it off
Call, break my own heart
Maybe I would have been something you'd be good at
Maybe you would have been something I'd be good at
But now we'll never know
I won't be sad
But in case, I'll go there everyday
To make myself feel bad
There's a chance I'll start to wonder
If this was the thing to do
I'll start to wonder
If this was the thing to doI'll start to wonder
If this was the thing to do
