Written All Over Your Face

Dean Geyer

Save your breath
I see the storm comin'
I feel the clouds closin'n
Hush your mouth. I'll find the words for youOh your poor heart don't feel the same
We'll still be friends
But I'm alone again[Chorus:]
So you don't have to say
What you're thinkin now
Baby don't be afraid
I'll try and make it easy for you
I'll cry the tears a little later on
You don't need to worry
I know I have been replaced
It's written all over your faceYou wish you could
Feel the way that I do
You never meant to hurt me
The clichs good. Theres someone out there waitingOh that I'll find along the way
But I thought that was you?
Yet I'm alone again[Chorus:]
So you don't have to say
What you're thinkin' now
Baby don't be afraid
I'll try and make it easy for you
I'll cry the tears a little later on
You don't need to worry
I know I have been replaced
It's written all over your faceIt's the hardest thing
You've ever had to do
You just wanna tell the truth
Well that's nice of you[Chorus:]
But you don't have to say
What you're thinkin' now
Baby don't be afraid
I'll try and make it easy for you
