

Love Me Tomorrow (Single Version)

Chicago

She said, "It's lonely here tonight"
She's always sad when she's alone
She said, "I need you here tonight"
She couldn't wait 'til I get home She loves me
And that's all I need to know
She's part of my life
Just a part I won't let go Then she said
"Love me tomorrow
Won't you please, promise me?
Love me tomorrow like today Love me tomorrow
Hurry back, can't you see?
I need you more
Than any words could say" You know it's always cold at night
It's always lonely 'til the dawn
And though it's not what we put on
Knowing she's there, I'll carry on Because she loves me
And that's all I need to know
She's part of my life
Just a part I won't let go Then she said
"Love me tomorrow
Won't you please, promise me?
Love me tomorrow like today Love me tomorrow
Hurry back, can't you see?
I need you more
Than any words could say" She loves me
And that's all I need to know
She's part of my life
Just a part I won't let go Then she said
"Love me tomorrow
Won't you please, promise me?
Love me tomorrow like today Love me tomorrow
Hurry back, can't you see
Need you much more
Than yesterday Love me tomorrow
