

Moonchild (Unsealed)

Fields of the Nephilim

Moonchild... Moonchild Moonchild Moonchild Well it's a righteous dream, out of mind yeah

A righteous dream, out of mind yeah

{Is it right just dreaming out of my day} Take your horses

Let them crawl

Put them in their cages

(That's righteous for your soul) Open your eyes

Despite what seems

Longevity

That's a righteous part of me Chorus:

Moonchild

Lower me down, lower me down

Moonchild... lower me down down down down down down Well it's a righteous day, out of mind yeah

A righteous day Never return, I'm waiting no more

They take no prisoners in the promised war

I'll die for this

I'll die for this

Take it away Chorus: (Moonchild)

Take off for safer places

Can't you see

You're losing me {He sure is, losing me that is :-)} Chorus: {Variation on chorus} Well I'm listening to an empty
hall

You can't see for they've burned before

They take me down to the [window] shame

Longevity hear my fame Moonchild
